

CISRS Advanced Scaffold Inspection – ASITS

Course Introduction

CISRS Advanced Scaffold Inspection

The 2 day Advanced Scaffold Inspection training covers both basic and more complex scaffolding structures. It is aimed at professional Scaffold Inspectors, Scaffolding Supervisors and Management and others who are responsible for statutory scaffold inspection for more complex structures.

Course Pre-Requisites

To be eligible, applicants need to have extensive scaffolding industry experience and have held a CISRS Basic Scaffold Inspection Record Card for a minimum of 2 years.

CISRS Scaffolders who have held their card for a minimum of 2 years and Advanced card holders will also be eligible to attend this course without initially having to attend the Basic Scaffold Inspection course.

Training Required For Card:

CISRS Advanced Scaffold Inspection Course
CITB HS&E Test taken within 2 years (or accepted exemption)

Renewal Process:

CISRS Advanced Scaffold Inspection Course
CITB HS&E Test taken within 2 years (or accepted exemption)

Delegates wishing to book this course will be required to have a [CITB HS&E Test \(or accepted exemption\) \(External link - Opens in a new tab or window\)](#) in place at the time of booking. The CITB HS&E Test (or accepted exemption) needs to have been passed within the previous 23 months before the course start date.

For these exemptions to apply you will need to send a copy of the certificate/card to scaffolding.academy@uwtsd.ac.uk at time of booking.
